Douglas Fairbanks

The athletic and acrobatic star in
"Heading South"

"Heading South" is a spectacular production, with its stirring scenes and its great ensembles of people, including hundreds of cowboys and a large band of real Mexicans. The scenario is uniquely developed, presenting a succession of thrills, with Fairbanks doing his utmost to outdo the stunts that made his recent western picture, "The Man From Painted Post," somewhat of a novelty from an acrobatic standpoint. It covers a wide range of territory, from Canada to Mexico, and a great variety of scenery, including snow-capped mountains, forest wilderness, the western plains and the blazing desert.

"ON," SAYS HINDENBURG.

Allies Must Take the Consequences
of the Great German Offensive.

Amsterdam, March 16.—According to news received here, Field Marshal von Hindenburg has stated in an interview in Berlin that the Entente had shown an unresponsive attitude toward Germany's peace intentions and that the great German offensive therefore must go on.

In well informed neutral quarters recently it was told that the Germans were prepared to lose 300,000 men in an offensive operation.

Germany is now stronger than her enemies in men, material and air forces and in tanks as well, General Von Ludendorff declared in an interview in the Cologne Volks Zeitung. The General said the enemy was well come to attack and would find Germany ready, and that if he was not inclined to make peace he would have to fight.

"Our front in the West is now much more favorable for us than it was last year," General Von Ludendorff told the interviewer. "How difficult the situation was must be gauged from the fact that we had to restore calm in the east and defeat Italy in the south. But now we are stronger than the enemy, as regards men, material, aerial forces, tanks. Everything, in fact, of which he boasted is standing in readiness on our side in the greatest abundance."

"If the enemy wishes to attack now, let him do so. He will find us ready. If the enemy does not want peace, he will have to fight, and this fight will, of course, be the most tremendous of the whole war. With God's aid we will obtain a German peace, not a doubtful peace."

FACED DEATH ON TUSCANIA.

Lieut. Hutton, Of Abington, Tells of
Loss of Transport.

Bristol, Va. March 16.—Judge F. B. Hutton, of Abington, is in receipt

of a letter from his son, Lieut. Frank Hutton, in which a description of the sinking of the Tuscania is given. Young Hutton is said to have been the only Virginia officer aboard the ship. Following the striking of the torpedo, he got out of his berth and came on the deck, but found the lifeboat on which he was to depend had been swept away. The men faced death with remarkable calmness, he wrote.

"I waited," he said, "for the arrival of a rescue ship. I realized that this world in all probability be my only means of escape. After a wait of two hours a British vessel was at our side, and it chanced to be my luck to be transferred to that vessel. In the confusion, I left the sinking ship with a blouse that did not correspond to the rest of my uniform. I lost the money I had, but still have the wrist watch of my sister, Sarah Katherine. I had to grab all I could in the darkness. We eventually landed at a port in Ireland. We have since arrived in England and are now quartered in a camp near London."

As far as is known no lives have been lost.

NO WHEAT IN ODESSA.

Chicago Grain Expert Says Germans
Will Be Disappointed.

Chicago, March 16.—J. Ralph Pickell, a grain expert, who has just returned from Russia, where he spent six months studying crop conditions, said yesterday that the Germans will find no wheat in Odessa. What little there was in Odessa, he said, was consumed some time ago by the inhabitants, refugees and disbanding soldiers.

He declares that Nikolaiev and not Odessa is Russia's great wheat-storing center, and that a large army of Cossacks stands between the invading Germans and vast storehouses containing 5,000,000 bushels of wheat.

The port of Nikolaiev is 200 miles northeast of Odessa, on the extending mouth of the river Bug, and gets its supply of grain from shipments on the Black Sea," said Mr. Pickell.

TROOPS TO END RIOTS.

Mob in Idaho Attacks Jail and Sheriff
is Beaten.

San Francisco, Cal., March 16.—Major Gen. Arthur Murray, commanding the Western army department, announced last night that he had ordered troops dispatched to St. Maries, Idaho, where rioting was reported between citizens and members of the I. W. W.

Gen. Murray declined to say how many troops were being sent or from what point.

St. Maries, Idaho, March 16.—W. M. Nelson, former local secretary of the Industrial Workers of the World, was taken to Coeur D'Alene late yesterday for trial on a charge of criminal syndicalism after an altercation between Sheriff E. B. Noland and a crowd of I. W. W. and sympathizers.

Information that a change of venue had been granted on motion of the State, in Nelson's trial, which was to have been held here yesterday, caused the formation of a crowd of about 200 persons for the purpose of delivering Nelson from jail, the sheriff said. When he attempted to dissuade them, he was set upon and badly beaten. Armed citizens quickly surrounded and subdued the rioters. Later a score of special deputy sheriffs were sworn in to preserve order.

Wichita, Kans., March 16.—Federal indictments were returned here yesterday morning against 35 alleged members of the Industrial Workers of

RENEWED TESTIMONY.

No one in Alexandria who suffers backache, headaches, or distressing bladder ills can afford to ignore this Alexandria woman's twice-told story. It is confirmed testimony that no Alexandria resident can doubt.

Mrs. Martha Byrne, 209 Wilkes Street, Alexandria, says: "I suffered severely from backaches and pains throughout my body. My kidneys were badly disordered and I was steadily running down in health. A friend advised me to try Doan's Kidney Pills and the first box greatly benefited me. I kept on using them and I now enjoy good health."

Over four years later Mrs. Byrne said: "I seldom have any trouble with my kidneys now. Doan's Kidney Pills are responsible for my present good health."

the World. With only one exception, the indicted men are now under arrest and some have been interned for the duration of the war. The indictments charged disloyalty, insubordination and interfering with the production of oil and other products necessary to the prosecution of the war.

BOLT KILLS BEARER OF AID.

Man Hurrying With Medicine for Sick
Person is Struck.

Butler, Pa., March 16.—On an errand of mercy, Howard Mickle, aged 30 years, of Beaver street, Zelienople, was struck and instantly killed by lightning early yesterday. His body was found along the roadside by a searching party, which went to look for him because of his prolonged absence.

When a member of his family became seriously ill some time after midnight, Mickle started for the office of a physician some distance away. He was given medicine for the stricken person, and was well on his way toward home when the storm broke. His wife, after waiting his return for several hours, became alarmed and enlisted the aid of neighbors. Within a few blocks of his home he was found. One side of his body was badly burned and his left shoe was torn off.

BOWLING WRECKS TRAIN.

Several Injured and Possibly Killed,
Says Report.

Harrisburg, Pa., March 16.—Pennsylvania Railroad train No. 19, the Cincinnati, Indianapolis and Chicago Express, westbound from Philadelphia, was wrecked east of Elizabethtown near here early Monday. It is reported to have been buried under a landslide.

According to reports at division headquarters many persons were injured and probably several killed.

Philadelphia, March 16.—Reports received at the general offices of the Pennsylvania Railroad here were that a huge boulder rolling down the mountainside had struck Train No. 19, wrecking three or four sleepers. It is not known whether any one was killed.

WARSHIP HITS BOAT.

Naval Vessel Collides in Mid-Channel
With Passenger Craft.

London, March 16.—Twenty-six persons are missing in consequence of a collision between a naval vessel and the British steamship Rathmore. Survivors have been landed at Kingstown, Ireland, by destroyers.

The Rathmore, of 1,569 tons gross, and owned in Dublin, was bound from Holyhead, Wales, across St. George's Channel, for Dublin. There were 640 passengers.

The collision occurred in mid-channel. The Rathmore, badly damaged, was towed to Dublin.

MEETS TRAGIC DEATH.

Colored Man Killed in a Fall Down
Elevator Shaft in Factory.

George Stewart, colored, thirty-three years old, of Richmond, was killed Thursday morning about 7 o'clock when he fell down an elevator shaft in the P. Lorillard Tobacco factory, at Twenty-fourth and Cary streets, south. Just how the accident happened no one seemed to know. It was said that Stewart started to go up in the elevator. A few minutes later he was heard calling for help at the foot of the shaft. He died soon after being picked up.

STRIKE IN AUSTRIA.

Plants Closed When Men Disobey
Order to Return.

Copenhagen, March 16.—A new strike is under way in Austria, it is learned here.

"Austrian workers on the North-western Railway, the Ferdinand Northern and several other railways have struck, according to the Lokal Anzeiger, of Berlin.

The movement is growing. Most of the factories in Florisdorf have closed.

The military ordered the strikers to return, but they refused.

CONSTIPATION

And Sour Stomach Caused This
Lady Much Suffering. Black-
Draught Relieved.

Meadersville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use. Theodor's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NC-135
